Homeless individual with 3 shopping carts in front of the house. He has been there for about 1.5 weeks.

The family has foster children and the social workers will be visiting the location soon and they would not like to have that individual at out there because it might count against them

Individual sleeps near the Head Start Parking lot.

Please send this to the HOPE team and ask Officer Gutierrez (CC. Officer Nunez) to see if they can go to the location and talk to the man who's in front of the house.

Anonymous complaint

11267 Cometa ave - "Party House" - 40 cars on the street during the weekend

Possibly renting out their house for parties for the last 2 months

Fireworks were done out of this house

I honestly don't know what to do about this other than reporting to Building and Safety. It could be that the folks just have a lot of parties for their family and friends.
